

**Community Behavioral Health: Provider Notification  
STS Family Engagement Survey Results Webinar  
October 19, 2015**

Dear Providers,

The webinar to review results of the STS Family Engagement Survey for Pay-for-Performance has been rescheduled for Tuesday, October 20, 2015 from 2:00-4:00 pm. As in previous years, we wish to provide you with the option of attending these meetings in-person or online via GoToMeeting. Due to space limitations, we are asking that if you wish to attend in-person that you RSVP to us as soon as possible, and send only one person from your organization to that meeting. We will be able to accommodate the first 20 respondents in each meeting; beyond that number we may need to ask you to participate via GoToMeeting only. If you for any reason need accommodations under the ADA in order to participate in any of these meetings, please let us know; we will be sure to reserve in-person space and/or provide any other accommodations that are necessary to meet that need.

For GoToMeeting participation, it is vital that you register in advance using the link provided below. Registering through this link ensures that you get the information necessary to enable you to log on to the meeting, see slides, and hear the conversation. We recommend that GoToMeeting participants dial-in to the meeting on the telephone rather than using the integrated audio option, as this seems to provide the best experience.

For RSVP to attend the meetings in person, please contact Naima Ware at [naima.ware@phila.gov](mailto:naima.ware@phila.gov).
