

**Community Behavioral Health: Provider Notification  
Use of Therapeutic Support Staff (TSS) Scheduler Form  
February 13, 2017**

Effective March 13, 2017, CBH will require the use of the TSS Scheduler Form for all requests for TSS-School (TSS-S) and TSS-Nonschool (TSS-NS). This form should reflect how TSS services will be used at times of targeted need, as identified in the Comprehensive Biopsychosocial Evaluation, Re-evaluation, or Addendum. The TSS Scheduler Form can be found via the link below.

Requests that are received after the above date that do not include the TSS Scheduler form will be deemed insufficient. Questions regarding this Notice can be directed to providers' assigned Clinical Care Manager.
