

**Community Behavioral Health: Provider Notification
Daily Inpatient Bed Availability and Substance Use Disorder Treatment
Capacity Survey
March 13, 2017**

CBH implemented Provider Bulletin #16-06 entitled Daily Psychiatric and Substance Abuse Open Bed Registry on February 20, 2017. Please remember that provider implementation of survey requirements is essential to ensure accurate assessment of network capacity and access to treatment for our members. Surveys must be completed daily.

The survey requirements are mandatory for all Inpatient and Substance Use Disorder Treatment providers. Please complete by noon each day.

CBH staff will be hosting three form.com webinars to train identified staff to complete the Inpatient Substance Use Availability Survey. Please pass this notification to involved staff, so they can participate in one of the three webinar training sessions.
