## I. Project Overview

### A. Introduction; Statement of Purpose

Community Behavioral Health (CBH) is soliciting applications for independent practitioners who are qualified to provide treatment in one of the following specialty areas:

- Anxiety disorders (per DSM)
- Hoarding (per DSM)
- Pyromania (fire-setting – per DSM)
- Feeding and eating disorders
- Co-occurring mental health/substance use
- Co-occurring mental health/intellectual disabilities
- Post-carceral and forensic populations
- Dually eligible older Philadelphians and Philadelphians with disabilities
- Lesbian/gay/bisexual/transgender/queer/intersex/asexual (LGBTQIA) populations
- Applied Behavior Analysis (ABA) providers
- Child evaluators with knowledge of CBH service continuum
- Psychology testing

Practitioners who would like to deliver services as part of a group practice should indicate this in their application and should submit one application per practitioner; a “group practice” comprises staff of the same discipline and licensure.

CBH utilizes the services of the Council for Affordable Quality Healthcare, Inc. (CAQH), a National Committee for Quality Assurance (NCQA) certified Credentials Verification Organization (CVO), to collect and complete primary source verification on credentials for individual practitioners for both initial and recertification. For the purposes of this RFQ, applicants must submit responses per questions and criteria described throughout this document. Applicants should also review the CBH Credentialing Manual found on the CBH website (found at <https://cbhphilly.org/cbh-providers/credentialing/>) and the CAQH Provider Application (Appendix C of the CBH Credentialing Manual) to ensure all requirements for entering the CBH network can be met. Once CBH determines an applicant is qualified via the RFQ process, they will submit the CAQH Application to begin the CBH credentialing process. In addition, ABA provider applicants should review the ABA Performance Standards and ABA Designation Application found on the CBH website.

Applicants must develop services in a manner that reflects the Philadelphia system transformation as described in the DBHIDS Practice Guidelines for Recovery and Resilience Oriented Treatment.<sup>1</sup>

### B. Organizational Overview

The City of Philadelphia contracts with the Commonwealth of Pennsylvania Department of Human Services (PA-DHS) for the provision of behavioral health services to Philadelphia’s Medicaid recipients under Pennsylvania’s HealthChoices behavioral health mandatory managed care program. Services are funded on a capitated basis through this contractual agreement. The City of

<sup>1</sup> Department of Behavioral Health and Intellectual Disability Services (DBHIDS), *Philadelphia Behavioral Health Practice Guidelines*, 2013, <http://dbhids.org/wp-content/uploads/2015/07/practice-guidelines-1-1.pdf>

Philadelphia, through the Department of Behavioral Health and Intellectual disAbility Services (DBHIDS), contracts with CBH to administer the HealthChoices program.

CBH was established as a non-profit organization by the City in 1997 to administer behavioral health care services for the City's approximately 700,000 Medicaid recipients.

DBHIDS is comprised the Office of Behavioral Health which includes Mental Health and Addictions Services and Intellectual disAbility Services (IDS). DBHIDS contracts with Community Behavioral Health (CBH) to administer behavioral health care services for the City's approximately 700,000 Medical Assistance recipients under Pennsylvania's HealthChoices behavioral health mandatory managed care program. This integrated behavioral health system annually serves more than 100,000 people who are eligible for Medical Assistance, as well as those who are uninsured or underinsured. As a result, CBH manages a full continuum of medically necessary and clinically appropriate behavioral health services. CBH employs more than 400 people and has an annual budget of approximately \$800 million.

The Department has a long history of providing innovative and groundbreaking services in Philadelphia for people in recovery, family members, providers and communities and has become a national model for delivering behavioral health care services in the public sector. We envision a Philadelphia where every individual can achieve health, well-being, and self-determination. The mission of DBHIDS is to educate, strengthen and serve individuals and community so that all Philadelphians can thrive. This is accomplished using a population health approach with an emphasis on recovery and resilience-focused behavioral health services and on self-determination for individuals with intellectual disabilities (see more at <https://dbhids.org/population-health>). Working with an extensive network of providers, DBHIDS provides services to persons recovering from mental health and/or substance use, individuals with intellectual disabilities, and families to ensure that they receive high quality services which are accessible, effective and appropriate.

DBHIDS has a strong focus on the use of evidence-based practices (EBPs) for all levels of services throughout its provider network. The services procured through this RFQ must implement evidence-based and evidence-supported approaches to treatment. Training, supervision, and quality assurance strategies to monitor practice fidelity and track outcomes should be described to ensure the EBP is being implemented and sustained, and its effectiveness regularly measured. Applicants may be expected to meet the standards of the EPIC EBP Program Designation for the main EBPs that are being implemented in the program. The EPIC EBP Program Designation standards and process can be found at [www.cbhphilly.org](http://www.cbhphilly.org).

This program will be administered by and receive oversight from CBH. CBH is committed to offering services to all Philadelphians. The mission of CBH is to meet the behavioral health needs of the Philadelphia community by assuring access, quality, and fiscal accountability through being a high performing, efficient, and nimble organization driven by quality, performance, and outcomes.

We envision CBH as a diverse, innovative, and vibrant organization in which we are empowered to support wellness, resiliency, and recovery for all Philadelphians.

### C. Project Background and Objective

CBH understands the key role of independent practitioners in maintaining a robust network of behavioral health providers in Philadelphia. As such, this RFQ aims to open the network to practitioners who are eligible to practice in the areas identified by CBH as needing additional service capacity. The rationale for selecting each area is based on diagnosis data for children and adults receiving CBH-funded services in 2017, treatment capacity/network gap analysis, and city-wide data regarding growth among certain populations.

### D. General Disclaimer

This RFQ does not commit CBH to award a contract. This RFQ and the process it describes are proprietary and are for the sole and exclusive benefit of CBH. No other party, including any respondent, is intended to be granted any rights hereunder. Any response, including written documents and verbal communication, by any applicant to this RFQ, shall become the property of CBH and may be subject to public disclosure by CBH.

Once a contract is awarded, it will be the sole responsibility of the provider to establish referral processes and build a caseload. CBH can assist by adding the provider to the CBH Provider Directory; however, enrollment in the CBH network does not guarantee referrals.

### E. Applicant Eligibility Requirements

The requirements described below apply to all specialty types, aside from specific requirements noted in **bold**.

Applicants must be enrolled, at their primary practice location, in Pennsylvania Medicaid as licensed clinical social workers, licensed psychologists, or licensed psychiatrists. <https://www.pacode.com/secure/data/049/chapter47/chap47toc.html>. For psychologists, the state regulations can be found here:

The purpose of M/W/DSBE state legislation is to provide equal opportunity for all businesses and to assure that CBH funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. CBH is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all CBH contracts on an equitable basis.

- **Not-for-profit organizations** may have sub-contracting relationships with certified M/W/DSBE for-profit organizations. Not-for-profits should include a listing of their M/W/DSBE certified sub-contractors, along with their certification information.
- For additional information regarding the Commonwealth of Pennsylvania's M/W/DSBE certification process, go to the following website:  
[www.dgs.state.pa.us/portal/server.pt/community/bureau\\_of\\_minority\\_and\\_women\\_business\\_opportunities/1358](http://www.dgs.state.pa.us/portal/server.pt/community/bureau_of_minority_and_women_business_opportunities/1358)

#### **a. City of Philadelphia Tax and Regulatory Status and Clearance Statement**

As CBH is a quasi-governmental, city-related agency, prospective applicants must meet certain City of Philadelphia requirements. It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in The Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each applicant is required to complete and return with its proposal, a City of Philadelphia Tax and Regulatory Status and Clearance Statement Form (see Appendix B).

If the applicant is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made within a week of being notified of their non-compliance, applicants will not be eligible for award of the contract contemplated by this RFQ.

All selected applicants will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFQ and the selected Applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

Applicants need not have a City of Philadelphia Business Privilege Tax Account Number and Business Privilege License Number to respond to this RFQ, but will, in most circumstances, be required to

obtain one or both if selected for award of the contract contemplated by the RFQ. Proposals for a Business Privilege Tax Account Number or a Business Privilege License may be made on line by visiting the City of Philadelphia Business Service site- <http://business.phila.gov/Pages/Home.aspx> and clicking on "Register Your Business." If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Privilege Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Business Privilege License.

#### F. Compliance with Philadelphia 21st Century Minimum Wage and Benefits Ordinance

Applicants are advised that any contract awarded pursuant to this RFQ is a "Service Contract," and the successful applicant under such contract is a "Service Contractor," as those terms are defined in Chapter 17-1300 of the Philadelphia Code ("Philadelphia 21<sup>st</sup> Century Minimum Wage and Benefits Standard Ordinance"). Any Subcontractor and any sub-subcontractor at any tier proposed to perform services sought by this RFQ is also a "Service Contractor" for purposes of Chapter 17- 1300. If any such Service Contractor (i.e. applicant and subcontractors at any tier) is also an "Employer," as that term is defined in Section 17-1302 (more than five employees), and is among the Employers listed in Section 17-1303 of the Code, then during the term of any resulting contract, it is subject to the minimum wage and benefits provisions set forth in Chapter 17-1300 unless it is granted a waiver or partial waiver under Section 17-1304. Absent a waiver, these minimum wage and benefits provisions, which include a minimum hourly wage that is adjusted annually based on the CPI, health care and sick leave benefits, are mandatory and must be provided to applicant's employees or the employees of any subcontractor at any tier who perform services related to the City contract resulting from this RFQ. Applicants and any subcontractors at any tier proposed by Applicants are strongly encouraged to consult Chapter 17-1300 of the Philadelphia Code,<sup>1</sup> the General Provisions, and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page for further details concerning the applicability of this Chapter to, and obligations it imposes on certain City contractors and subcontractors at any tier. In addition to the enforcement provisions contained in Chapter 17-1300, the successful applicant's failure or the failure of any subcontractor at any tier to comply (absent an approved waiver) with the provisions of Chapter 17-1300, or any discrimination or retaliation by the successful applicant or applicant's subcontractors at any tier against any of their employees on account of having claimed a violation of Chapter 17-1300, shall be a material breach of any Service Contract resulting from this RFQ. By submitting a proposal in response to this RFQ, applicants acknowledge that they understand, and will comply with the requirements of Chapter 17-1300, and will require the compliance of their subcontractors at any tier if awarded a contract pursuant to this RFQ. Applicants further acknowledge that they will notify any subcontractors at any tier proposed to perform services related to this RFQ of the requirements of Chapter 17-1300.

#### G. Certification of Compliance with Equal Benefits Ordinance

If this RFQ is a solicitation for a "Service Contract" as that term is defined in Philadelphia Code Section 17-1901(4) ("A contract for the furnishing of services to or for the City, except where services are incidental to the delivery of goods. The term does not include any contract with a governmental agency."), and will result in a Service Contract in an amount in excess of \$250,000, pursuant to Chapter 17-1900 of the Philadelphia Code (1 A link to the Philadelphia Code is available on the City's official web site, [www.phila.gov](http://www.phila.gov). Click on "City Code and Charter," located to the bottom right of the Welcome page under the box "Transparency."), the successful Applicant shall,

for any of its employees who reside in the City, or any of its employees who are non-residents subject to City wage tax under Philadelphia Code Section 19-1502(1)(b), be required to extend the same employment benefits the successful applicant extends to spouses of its employees to life partners of such employees, absent a waiver by the City under Section 17-1904. By submission of their Proposals in response to this RFQ, all applicants so acknowledge and certify that, if awarded a Service Contract pursuant to this RFQ, they will comply with the provisions of Chapter 17-1900 of the Philadelphia Code and will notify their employees of the employment benefits available to life partners pursuant to Chapter 17-1900. Following the award of a Service Contract subject to Chapter 17-1900 and prior to execution of the Service Contract by the City, the successful applicant shall certify that its employees have received the required notification of the employment benefits available to life partners and that such employment benefits will actually be available, or that the successful applicant does not provide employment benefits to the spouses of married employees. The successful applicant's failure to comply with the provisions of Chapter 17-1900 or any discrimination or retaliation by the successful applicant against any employee on account of having claimed a violation of Chapter 17- 1900 shall be a material breach of the any Service Contract resulting from this RFQ. Further information concerning the applicability of the Equal Benefits Ordinance, and the obligations it imposes on certain City contractors is contained in the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page.

#### H. City of Philadelphia Disclosure Forms

Applicants and subcontractors are required to complete the City of Philadelphia Disclosure Forms (see separate website Attachment) to report campaign contributions to local and state political candidates and incumbents; any consultants used in responding to the RFQ and contributions those consultants have made; prospective subcontractors; and whether applicant or any representative of applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-,woman- or disabled-owned business participation goals. These forms must be completed and returned with the proposal. The forms are attached as a separate PDF on the website posting.

#### I. CBH Disclosure of Litigation Form

The applicant shall describe any pending, threatened, or contemplated administrative or judicial proceedings that are material to the applicant's business or finances including, but not limited to, any litigation, consent orders or agreements between any local, state, or federal regulatory agency and the applicant or any subcontractor the applicant intends to use to perform any of the services described in this RFQ. Failure to disclose any of the proceedings described above may be grounds for disqualification of the applicant's submission. Complete and submit with your proposal the CBH Disclosure of Litigation Form (see Appendix D).

#### J. Selection Process

An application review committee will review all responses to this RFQ. Based on the criteria detailed below, the committee will make recommendations concerning the submissions that are best able to meet the goals of the RFQ. Submissions will be reviewed based upon the merits of the written response to the RFQ.

## K. Threshold Requirements

Threshold requirements provide a baseline for all proposals, which means they provide basic information that all applicants must meet. Failure to meet all of these requirements may disqualify an applicant from consideration through this RFQ. Threshold requirements include timely submission of a complete proposal with responses to all sections and questions outlined in the procurement. In addition, all required attachments must be submitted. Threshold requirements include having the requisite experience and licenses to implement the program and being a service provider in good standing with the City and CBH (as applicable).

CBH will determine if a provider is in good standing by reviewing information gathered through various departments across the DBHIDS. A determination is based on, but not limited to, the following criteria: re-credentialing status history, compliance error rate history, quality improvement plan status, and financial solvency. When applicable, state licensure status will also be reviewed and taken into consideration and discussed with PA Department of Human Services.

Neither the provider nor its staff, contractors, subcontractors, or vendors may be on any of the three Excluded Individuals and Entities lists:

- List of Excluded Individuals and Entities (LEIE) <http://oig.hhs.gov/fraud/exclusions.asp>;
- System for Award Management (SAM) (formerly Excluded Parties List System (EPLS)) <https://www.sam.gov>;
- Department of Human Services' Medichex List <http://www.dhs.state.pa.us/publications/medichexsearch/>

For this RFQ, the applicant must include an attached statement that the provider and its staff, subcontractors, or vendors have been screened for and are not on any of the three Excluded Individuals and Entities lists. Ongoing, the provider must conduct monthly screening of its own staff, contractors, subcontractors, and vendors for excluded individuals on the three Excluded Individuals and Entities lists.

## L. RFQ Responses

A review committee will review all responses to this RFQ. Based on the criteria detailed below, the committee will make recommendations concerning the submissions that are best able to meet the goals of the RFQ.
