## **I. Project Overview**

### **A. Introduction/Statement of Purpose**

Community Behavioral Health (CBH) is issuing this Request for Proposals (RFP) to contract with a qualified, independent third-party with expertise in public sector behavioral health service provision, payment, economics, and policy. It is the intent of this RFP to solicit proposals from all interested firms possessing the expertise needed to fully complete an assessment of Philadelphia clinical agencies' readiness to survive and thrive under new models of payment, up to and including, the ability to accept risk-related contracts under a Value-Based Purchasing model.

### **B. Organizational Overview**

The City of Philadelphia contracts with the Commonwealth of Pennsylvania Department of Human Services (PA-DHS) for the provision of behavioral health services to Philadelphia's Medicaid recipients under Pennsylvania's HealthChoices behavioral health mandatory managed care program. Services are funded on a capitated basis through this contractual agreement. The City of Philadelphia, through the Department of Behavioral Health and Intellectual disAbility Services (DBHIDS), contracts with CBH to administer the HealthChoices program.

DBHIDS is comprised the Office of Behavioral Health which includes Mental Health and Addictions Services and Intellectual disAbility Services (IDS). DBHIDS contracts with Community Behavioral Health (CBH) to administer behavioral health care services for the City's approximately 700,000 Medical Assistance recipients under Pennsylvania's HealthChoices behavioral health mandatory managed care program. This integrated behavioral health system annually serves more than 118,000 people who are eligible for Medical Assistance, as well as those who are uninsured or underinsured. As a result, CBH manages a full continuum of medically necessary and clinically appropriate behavioral health services. CBH employs more than 490 people and has an annual budget of approximately \$850 million.

The Department has a long history of providing innovative and groundbreaking services in Philadelphia for people in recovery, family members, providers and communities and has become a national model for delivering behavioral health care services in the public sector. We envision a Philadelphia where every individual can achieve health, well-being, and self-determination. The mission of DBHIDS is to educate, strengthen and serve individuals and community so that all Philadelphians can thrive. This is accomplished using a population health approach with an emphasis on recovery and resilience-focused behavioral health services and on self-determination for individuals with intellectual disabilities. Working with an extensive network of providers, DBHIDS provides services to persons recovering from mental health and/or substance use, individuals with intellectual disabilities, and families to ensure that they receive high quality services which are accessible, effective and appropriate.

This program will be administered by and receive oversight from CBH. CBH is committed to offering services to all Philadelphians. The mission of CBH is to meet the behavioral health needs of the Philadelphia community by assuring access, quality, and fiscal accountability

through being a high performing, efficient, and nimble organization driven by quality, performance, and outcomes.

We envision CBH as a diverse, innovative, and vibrant organization in which we are empowered to support wellness, resiliency, and recovery for all Philadelphians.

### **C. Project Background**

The purpose of this CBH Request for Proposal is to solicit proposals from qualified firms to complete an assessment of a statistically meaningful portion of the clinical agencies that serve Medicaid, uninsured, and other publicly insured populations on their readiness for VBP. Then, to create a training curriculum based on the findings from that assessment. The final phase of this project is to administer/oversee the subsequent training.

### **D. Request for Proposals**

CBH anticipates selecting one firm to provide all the services specified in this RFP.

### **E. General Disclaimer**

This RFP does not commit CBH to award a contract. This RFP and the process it describes are proprietary and are for the sole and exclusive benefit of CBH. No other party, including any Applicant, is intended to be granted any rights hereunder. Any response, including written documents and verbal communication, by any Applicant to this RFP, shall become the property of CBH and may be subject to public disclosure by CBH.

## **II. Scope of Work**

### **A. Project Details**

**CBH is a non-profit organization contracted on behalf of the City of Philadelphia DBHIDS to serve as an Administrative Services Organization to administer the HealthChoices program.** It acts as a Behavioral Health MCO for the Medicaid population. In addition to administering the billing and payment for these services, CBH also supports DBHIDS by performing provider network development, data collection, mandatory reporting compliance, decision support and data analytics.

As the Medicaid managed care entity under the HealthChoices program for the City of Philadelphia, CBH is responsible for implementing the VBP strategy outlined by the Commonwealth. CBH is dedicated to the assurance that adequate providers are in place to provide needed services to the Medicaid population of Philadelphia. Providers have expressed concerns that they are not ready to accept VBP models.

### **B. Services to be Provided/Required Tasks**

We are asking for proposals for a three-part project:

1. Complete an assessment of the existing behavioral health providers in the City. This assessment should determine the overall readiness for VBP and break out the areas of specific need or concern.

2. Develop a specialized curriculum that is based on the findings from the assessment. This curriculum should be focused on skill and competency building for each area that is found to be deficient during the assessment
3. Complete a series of trainings with the provider community. These trainings should be focused on the areas outlined in section I.A. Introduction/Statement of Purpose.

### **C. Monitoring**

The CBH Quality Management Department will be managing the contract. An individual from that unit will be identified as the point person for the work to be conducted under the contract that is developed through this RFP and will monitor those activities for the duration of the contract.

### **D. Reporting Requirements**

Written progress reports will be required on a mutually agreed upon periodic basis to document the progress of the work to be performed, but will be no less frequent than bi-monthly. In addition, CBH may request additional reports over the course of the contract.

### **E. Compensation/Reimbursement**

A cost proposal must be provided based upon your best understanding of the scope of the project and the services to be delivered. This should be presented as the total cost, itemized by each phase of the project (i.e. expected project deliverables detailed in Section II. B.), and further by a detailed list of charges for services, including hourly personnel rates for all staff assigned to this project, subcontractor fees, reimbursable expenses and other miscellaneous costs and fees. Services for the proposed project will be reimbursed as they are incurred through submission of invoices to CBH.

While CBH may award a contract based on the initial offer, an Applicant should make its initial offer on the most favorable terms available. CBH reserves the right, however, to have discussions with those potential consultants falling within a competitive range, and to request revised pricing offers from them and to make an award or conduct negotiations thereafter.

### **F. Organization and Personnel Requirements**

CBH is seeking a firm with the requisite skills and abilities to perform the work being sought through this RFP. The selected firm must have a demonstrable depth of understanding of public sector behavioral health service delivery including financing models.

Special consideration will be given for the following:

- Businesses owned and controlled by minorities, women, and persons with disabilities.
- Philadelphia-based Applicants.

**Please refer to the Philadelphia Code, Chapter 17-1404 for a more detailed list of disclosure requirements that might preclude your firm from consideration for an award of this RFP.**

#### **B. Minority/Women/People with Disabilities Owned Business Enterprises**

CBH is a City-related agency and as such its contracted providers/vendors/consultants must cooperate with the intent of the local municipality regarding minority/women/disabled-owned business enterprises. It is the expectation of CBH that the selected Applicants will employ a "Best and Good Faith Efforts" approach to include certified minority, women and disabled businesses (M/W/DSBE) in the services provided through this RFP where applicable and meet the intent of M/W/DSBE legislation.

The purpose of M/W/DSBE state legislation is to provide equal opportunity for all businesses and to assure that CBH funds are not used, directly or indirectly, to promote, reinforce or

perpetuate discriminatory practices. CBH is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all CBH contracts on an equitable basis.

- For-profit Applicants should indicate if their organization is a Minority (MBE), Woman (WBE), and/or Disabled (DSBE) Owned Business Enterprise and certified as such by an approved certifying agency and/or identified in the OEO Certification Registry. If the Applicant is M/W/DSBE certified by an approved certifying agency, a copy of certifications should be included with the proposal. Any certifications should be submitted as hard copy attachments to the original application and copies that are submitted to CBH.
- Not-for-profit Applicants cannot be formally M/W/DSBE certified. CBH does utilize adapted state definitions to determine the M/W/DSBE status. Criteria are applied to not-for-profit entities to determine M/W/DSBE status in the CBH provider network, as follows (all criteria must be satisfied)
  - At least 51% of the board of directors must be qualified minority individuals and/or women and/or people with disabilities.
  - A woman or minority individual or person with a disability must hold the highest position in the company.
  - Minority groups eligible for certification include African Americans, Hispanic Americans, Native Americans, and Asian Americans.
  - Citizenship and legitimate minority group membership must be established through birth certificates, military records, passports, or tribal cards.
  - Minority individuals, women or people with disabilities who are owners must possess the power to make day-to-day and long-term decisions on matters of management, policy, and operations.
  - There must not be any formal or informal restrictions (such as bylaws, partnership agreements, etc.) that limit the authority of owners who are minority individuals and/or women and/or people with disabilities to make decisions and determine the future of the business.
  - Owners who are minority individuals and/or women and/or people with disabilities must demonstrate that they possess the experience, expertise, and knowledge to operate their particular types of business.
- Not-for-profit organizations may have sub-contracting relationships with certified M/W/DSBE for-profit organizations. Not-for-profits should include a listing of their M/W/DSBE certified sub-contractors, along with their certification information.
- For additional information regarding the Commonwealth of Pennsylvania's M/W/DSBE certification process, go to the following website:  
[www.dgs.state.pa.us/portal/server.pt/community/bureau\\_of\\_minority\\_and\\_women\\_business\\_opportunities/1358](http://www.dgs.state.pa.us/portal/server.pt/community/bureau_of_minority_and_women_business_opportunities/1358)

### **C. City of Philadelphia Tax and Regulatory Status and Clearance Statement**

As CBH is considered a quasi-governmental, City-related agency, prospective Applicants must meet certain City of Philadelphia requirements. It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is

current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in The Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to complete and return with its proposal, a City of Philadelphia Tax Status and Clearance Statement Form (see Appendix B).

If the Applicant is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made within a week of being notified of their non-compliance, Applicants will not be eligible for award of the contract contemplated by this RFP.

All selected Applicants will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected Applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

Applicants need not have a City of Philadelphia Business Privilege Tax Account Number and Business Privilege License Number to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP. Proposals for a Business Privilege Tax Account Number or a Business Privilege License may be made on line by visiting the City of Philadelphia Business Service site-<http://business.phila.gov/Pages/Home.aspx> and clicking on "Register Your Business." If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Privilege Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Business Privilege License.

#### **D. City of Philadelphia Disclosure Forms**

Applicants and subcontractors are required to complete the City of Philadelphia Disclosure Forms (see Appendix C and separate website Attachment) to report campaign contributions to local and state political candidates and incumbents; any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals. These forms must be completed and returned with the proposal. The forms are attached as a separate PDF on the website posting.

For specifics regarding the eligibility of an individual or a business who has made a campaign contribution to be awarded a contract, please refer to Section III. A. 3 of this RFP.

## **E. CBH Disclosure of Litigation Form**

The Applicant shall describe any pending, threatened, or contemplated administrative or judicial proceedings that are material to the Applicant's business or finances including, but not limited to, any litigation, consent orders or agreements between any local, state, or federal regulatory agency and the Applicant or any subcontractor the Applicant intends to use to perform any of the services described in this RFP. Failure to disclose any of the proceedings described above may be grounds for disqualification of the Applicant's submission. Complete and submit with your proposal the CBH Disclosure of Litigation Form (see Appendix D).

## **F. Selection Process**

An application review committee will review all responses to this RFP. Based on the criteria detailed below, the committee will make recommendations concerning the submissions that are best able to meet the goals of the RFP.
