

**Community Behavioral Health: Provider Notice  
City Municipal ID  
July 16, 2019**

CBH is aware that some behavioral health providers are not accepting the City Municipal ID as a valid form of identification from individuals seeking treatment and services. As a reminder, the City Municipal ID is a valid form of identification for treatment in our system.

For more information about City Municipal ID, please visit [City Municipal ID](#).

Please direct questions regarding this Notification to your Provider Representative.
