

## **Community Behavioral Health: Provider Notice Alternative Payment Arrangement (APA) and Claims Updates May 8, 2020**

As discussed during the May 6, 2020 Weekly Provider Call, CBH will be releasing claims for dates of service March 31 and prior. These claims disbursements can be expected to begin on or around May 8, 2020.

The May APA disbursement can be expected on or around May 15, 2020. CBH is unable to provide any review or reconsideration of APA amounts.

We have consistently messaged that the APA would be examined on a monthly basis. We are reviewing our financial outlook for June and will advise of any modifications to the APA approach as soon as plans are finalized.

As a reminder, agencies must still submit claims, as they typically would, during this APA period.

If you have any questions, please contact your Provider Relations Representative.
