

Community Behavioral Health: Provider Notice D&A Data Collection Template Update May 5, 2020

Community Behavioral Health (CBH) has amended the data collection template used to submit quarterly data—about the number of members maintained and inducted on Medication Assisted Treatment (MAT)—from Drug and Alcohol (D&A) Residential and Outpatient providers to CBH, originally specified in [Bulletin 18-07](#). The updated template [can be found here](#), is linked below this Notice, and has replaced the link beneath Bulletin 18-07.
