

Community Behavioral Health: Provider Notice Continuing Telehealth Extension June 8, 2020

On June 3, 2020, [Governor Tom Wolf renewed the 90-day disaster declaration](#) that he originally signed on March 6, 2020.

This renewal therefore continues—for the duration of the extended disaster declaration—the broad availability of telehealth as a means of service delivery; this was made allowable via a Memorandum from the Pennsylvania Department of Human Services’ (PA DHS) Office of Mental Health and Substance Abuse Services (OMHSAS). That OMHSAS Memorandum, “Telehealth Guidelines Related to COVID-19 (Updated),” was most recently updated on May 5, 2020, and [can be found here](#).

Please direct any questions about this Notice to your Provider Relations Representative.
