<p>55 Pa Code 5230.62. Individual rehabilitation plan.</p>	<p>(a) A PRS staff and an individual shall jointly develop an IRP that is consistent with the assessment and includes the following: ... (7) Dated signatures of the individual, the staff working with the individual and the PRS director.</p>	<p>Limited Suspension: Signature requirements, including signatures for rehabilitation plans and written consent, are suspended although providers are strongly encouraged to obtain them electronically when possible. Verbal consent must be documented and signatures for rehabilitation plans must be obtained within 60 days following the end of the disaster emergency declaration period.</p>
<p>Psychiatric Rehabilitation 55 Pa. Code 5230.62 (b), (c), (1), (2),(3)</p>	<p>b. A PRS agency shall complete an IRP by day 20 of admittance, but no more than 60 days after initial contact.</p> <p>c. A PRS agency and an Individual shall update IRP at least 90 days and when</p> <ul style="list-style-type: none"> 1. A goal is complete. 2. No significant progress is made. 3. An individual requests a change. 	<p>Full suspension of the requirement for completion or updates to the IRP within the timeframes required by the regulation, but providers should use best efforts to comply with the regulatory time frames.</p>
<p>55 Pa Code § 5230.62 (d). Individual rehabilitation plan.</p>	<p>(d) An IRP update must include a comprehensive summary of the individual’s progress that includes the following: ... (5) The dated signature of the individual. (6) Documentation of the reason if the individual does not sign.</p>	<p>Limited Suspension: Signature requirements, including signatures for rehabilitation plans and written consent, are suspended although providers are strongly encouraged to obtain them electronically when possible. Verbal consent must be documented and signatures for rehabilitation plans must be obtained within 60 days following the end of the disaster emergency declaration period.</p>

55 Pa Code § 5230.63. Daily entry	A PRS agency shall include an entry for the day service that was provided in the record of an individual as follows: ... (4) Includes the signature of the individual, or if the individual does not sign, documents the reason.	Full suspension of individuals' signature requirement although providers are strongly encouraged to obtain electronic signatures when possible.
Community Residential Rehabilitation Services for the Mentally Ill		
55 Pa. Code 5310.14(e)	(e) Each staff member is required to have a physical examination within 6 months prior to employment and every 2 years thereafter. (1) The examination report must include screening for tuberculosis and other communicable diseases, a statement from the physician that the staff member has no contagious diseases, and information on any medical problems, which might interfere with the health of the clients.	Limited suspension of the requirement that each staff member obtain a statement from a physician that the staff member has no contagious disease. A certified registered nurse practitioner (CRNP) or physician assistant (PA), rather than a physician, may certify that a staff member does not have any contagious disease and sign the health appraisal for the client.
55 Pa. Code 5310.32(c)(2)	(c) The CRRS staff shall obtain the following information about each client prior to the client's enrollment in the CRRS. (2) A health appraisal signed by a licensed physician, which includes: (i) A review of health history. (ii) A complete physical examination dated not more than 6 months prior to client's enrollment. (iii) Drug or alcohol history. (iv) Recommendations pertaining to medication and limitations of the client's activities or diet.	Limited suspension of the requirement that each client must receive a health appraisal signed by a licensed physician prior to the client's enrollment to the CRR. If a client is unable to see a physician, the client may receive a health appraisal from a licensed medical professional, such as a CRNP or PA. If a client is unable to obtain a health appraisal prior to their enrollment to the CRR, the client may obtain a health appraisal up to 15 days after enrollment. Documentation of attempts to see a physician must be kept.
55 Pa. Code 5310.33 (a)	(a) The community residential rehabilitation service (CRRS) staff shall develop with each client an individualized written client residential service plan upon the client's enrollment in the CRRS.	Limited suspension of the requirement that staff shall develop with each client an individualized written client residential service plan upon the client's enrollment in the CRRS.

		<p>This will allow providers to continue to serve all clients appropriately in the event of staffing shortages and not spend valuable staff time completing documentation.</p> <p>During the emergency declaration period, providers will have seven (7) calendar days to complete the psychosocial evaluation and initial residential service plan. The provider must document the reasons why the individual residential service plan was not completed upon enrollment.</p>
55 Pa. Code 5310.33 (d)	(d) The CRRS staff shall evaluate the client’s adjustment to the program within 30 days of enrollment and modify the service plan as needed. The residential service plan must be reviewed and updated every 60 days thereafter	Limited suspension of the requirement that CRRS staff shall evaluate the client’s adjustment to the program within 30 days of enrollment and modify the service plan as needed and the residential service plan must be reviewed and updated every 60 days thereafter, during the emergency declaration period. Instead, OMHSAS would allow 35 and 65 days, respectively. The program must document the reason(s) why the updates were not completed within the timeframes listed in the regulation.
55 Pa. Code 5310.33 (e)	(e) Each client in a CRRS must spend a major portion of his time out of the residence. The goal of such involvement outside the residence is to increase the client’s use of community resources and participation in community activities which the client can continue to use upon program termination. The method for achieving this goal must be reflected in each client’s residential services plan.	Full suspension of the requirement that each client in a CRRS must spend a major portion of his time out of the residence.
55 Pa. Code 5310.41 Staffing and training. (a)	(a) The community residential rehabilitation service (CRRS) must have staff sufficient in number and qualifications to carry out the functions of CRRS which include supervision, personal assistance, and psychosocial rehabilitation services as indicated in the CRRS program description.	Limited suspension , provided due diligence is taken to maintain direct-care staffing requirements as outlined in the provider’s program description. A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not be in compliance with this regulation.

SUBSTANCE ABUSE SERVICES

55 Pa. Code 5310.41(f)	(f) A mental health professional shall supervise the client service plan process and shall sign each individual residential service plan and service plan review.	Limited suspension of the requirement that a mental health professional shall sign each individual residential service plan and service plan review. Providers are however strongly encouraged to have the mental health professional sign the service plan electronically when possible. Signatures will need to be obtained within 60 days of the end of the emergency period.
55 Pa. Code 5310.51. Case record. (b) (4) (ii) (iv)	(b) Each case record must include the following information: (4) The following program information must be in the case record: (ii) Individual’s residential service plan, dated and signed. (iv) Service plan reviews and other reports of performance and progress which must be dated and signed.	Limited Suspension: Signature requirements, including signatures for residential service plans and written consent, are suspended although providers are strongly encouraged to obtain them electronically when possible. Verbal consent must be documented and signatures for residential service plans must be obtained within 60 days following the end of the disaster emergency declaration period.
55 Pa. Code 5310.72 (a). Safety procedures.	(a) The community residential rehabilitation service (CRRS) staff shall arrange for the local fire department or another outside safety consultant to inspect and approve each physical site for fire safety and to determine the number, location and type of fire extinguishers and smoke detectors. This fire safety inspection shall be done for initial occupancy and then at least every 2 years thereafter. All inspections must be documented.	Limited suspension , provided due diligence is taken to obtain fire safety inspection within the timeframe required by the regulation and documentation is kept regarding inability to obtain required services timely. A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not meet compliance with this regulation.
55 Pa. Code 5310.72(d) Safety procedures	(d) Fire drills at each CRRS site must be: (1) Held every 2 months. (2) Held during the night at least semiannually. (3) Recorded, including date, time, time required for evacuation, and number of persons taking part.	Limited suspension , provided due diligence is taken to hold fire drills within the required timeframes and documentation is kept regarding inability to hold required fire drills. A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not meet compliance with this regulation.

<p>55 Pa Code 5310.73(d)(2)</p>	<p>(e) Each CRRS site shall meet the following requirements for client residential living areas or spaces: (2) Bedrooms shall be either single or double occupancy. A single occupancy room shall have 80 square feet or more of floor space. A double occupancy room shall have 60 square feet or more of floor space for each client.</p>	<p>Limited suspension of the requirement that a single occupancy room shall have 80 square feet or more of floor space and that a double occupancy room shall have 60 square feet or more of floor space for each client in the event that a client must be moved or isolated/self-quarantined while participating in the program due to the program’s adherence to CDC guidelines to COVID-19-related symptoms.</p> <p>This will allow programs to maintain compliance with room space requirements, if the need to isolate any resident arises, but the building layout does not support the CDC recommended space.</p>
<p>55 Pa. Code 5310.81(b)(3)(iii) Medication</p>	<p>(b) CRRS programs shall establish and implement written policies and procedures regarding medications which meet legal restrictions regarding administration of medication. Medication policies and procedures shall include: (3) The circumstances under which the CRRS stores medications for clients. Storing medications is subject to the following limitations: (iii) Medications shall be kept in their original prescription containers.</p>	<p>Limited Suspension: All prescribed medications for the week may be put into a weekly pill container for the beneficiary. Medications should still be stored and locked in a locked room. Visual monitoring of resident self-administration should continue. Signatures confirming resident self-administration should continue to be obtained by staff and residents.</p>
<p>55 Pa. Code 5310.82(c)(1) 5310.82 (c)(5)</p>	<p>c) In the unusual circumstance where CRRS staff rather than clients purchase and prepare the food, the following additional requirements apply: (1) Each client shall be involved in the meal planning, shopping, food preparation, service and kitchen chores as evidenced in task schedules and in the client’s individual service plan. (5) Menus shall be prepared for 1 week in advance and must be retained on file for at least 8 weeks.</p>	<p>Full suspension of the requirement that (1) each client shall be involved in the meal planning, shopping, food preparation, service and kitchen chores as evidenced in task schedules and in the client’s individual service plan, and (5) menus shall be prepared for 1 week in advance.</p>

Requirements for Long-Term Structured Residence Licensure

<p>55 Pa. Code § 5320.41.</p>	<p>The provider shall require and document preemployment and biennial physical examinations for direct-care and support staff to include screening for:</p> <ul style="list-style-type: none"> (1) Tuberculosis (2) Hepatitis 	<p>Limited Suspension: If CRNP or PA signs off that they examined the staff member and feels comfortable to verify that the staff member is free of communicable diseases, without ordering the extra tests to verify, that is sufficient prior to hire; the staff member has a 90-day grace period to complete the screening requirements. Staff already working for a program may also have a 90-day grace period for their biennial physical exams and screenings.</p>
<p>55 Pa. Code § 5320.42. (3)(4)(5)(8)</p>	<p>The provider of LTSR services shall:</p> <ul style="list-style-type: none"> (3) Have a minimum of two direct-care staff persons awake and on duty within the LTSR whenever 10 to 16 residents inclusive are on the premises. A third direct-care staff person shall be either onsite or available to respond onsite within 30 minutes. (4) Have a minimum of two direct-care staff, awake and on duty within the LTSR whenever fewer than 10 residents are on the premises. (5) Have sufficient psychiatric time available to meet the psychiatric needs of the resident. At least 1/2 hour of psychiatric time per resident per week is required. (8) Employ substitute staff with equivalent qualifications when staff are absent so that minimum direct-care staffing requirements are always met. 	<p>Limited suspension for (3) and (4). A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not meet compliance with these regulatory provisions.</p> <p>Limited suspension of the requirement that the psychiatrist is available to meet with each resident a minimum of ½ hour per week. It can be 15 minutes per week instead</p> <p>Limited suspension of the requirement that substitute staff have equivalent qualifications to absent staff. Please see regulation 5320.43(c) below regarding direct-care staff qualifications. However, the substitute staff must receive adequate training to provide service to program residents.</p>

55 Pa Code 5320.43(c)	(c) A mental health worker shall be a person who has completed 12 semester hours of college training in a mental health related field or has at least a high school diploma or equivalency and 6 months of formal training in mental health or a related field.	Full suspension of the requirement that a mental health worker shall have completed 12 semester hours of college training in a mental health related field. The staff member may be working on fulfilling that requirement at the time of hire. Staff may also have at least a high school diploma OR equivalency with 4 months of formal training in mental health. Staff members with these qualifications will have an extra 24 hours of “shadowing” a seasoned staff member, which will be documented as a part of their orientation and completed prior to working independently on the floor.
55 Pa Code 5320.45(4)	The program director shall oversee orientation and training of the staff, including: 4) Written documentation that ongoing training includes review and update of all policies and procedures including those listed under topics for orientation.	Full suspension of the requirement that staff are retrained on all policies and procedures along with all topics listed under orientation requirements (5320.45.3) annually. Training should focus on CDC recommendations and service provision, along with any new policies and procedures. Regular training of standard topics may commence after emergency declaration is lifted. All onboarding staff must still review all topics required under 5320.45(3).
55 Pa. Code § 5320.51. (2)(4)	The interdisciplinary treatment team shall: (1) Complete an initial assessment on admission by the interdisciplinary team of the resident’s mental, physical and social needs including a mobility assessment. (2) Develop an initial treatment plan, within 72 hours, based on the initial assessment by the interdisciplinary team. (4) Develop a comprehensive treatment plan within 10 days of admission.	Limited suspension of the requirement that an initial assessment be completed on admission (1), an initial treatment plan be developed within 72 hours (2), and that a comprehensive treatment plan be developed within 10 days of admission (4) by the interdisciplinary treatment team. Programs will be given a 7 calendar-day grace period to complete the initial assessment and the initial treatment plan. Programs will be given a 10 calendar-day grace period to complete the comprehensive treatment plan. The due dates will be as follows: <ul style="list-style-type: none"> ● Initial assessment: by day 7 with all required treatment team signatures. ● Initial treatment plan: by day 10 with all required treatment team signatures. ● Comprehensive treatment plan: by day 20 with all required treatment team signatures.

<p>55 Pa. Code 5320.52. (4)(i)</p>	<p>The interdisciplinary treatment team shall review treatment plans at least every 30 days or more frequently as the resident’s condition changes. A report of the review and findings and the resident’s progress toward meeting program goals and objectives shall be documented by the interdisciplinary team in the resident’s record.</p> <p>(4) Reassessment of each resident’s mental, physical and social needs, including a mobility assessment as follows:</p> <p>(i) Annually</p>	<p>Limited suspension of the requirement that the interdisciplinary treatment team review treatment plans at least every 30 days and that a reassessment of each resident’s mental, physical, and social needs be completed annually (4). Programs will be given a 10 calendar-day grace period to complete 30 calendar-day updates and the annual reassessment. The due dates will be as follows:</p> <ul style="list-style-type: none"> • 30-day updates: at least every 40 days with all required treatment team signatures. • Annual reassessment: 30 calendar-day grace period from the date it is due. (assessments due 4/1/20 will not be due until 5/1/20).
<p>55 Pa. Code § 5320.53.</p>	<p>(a)(5) Recording of physicians’ orders in each resident’s clinical record that is reviewed, renewed and signed by the physician every 30 days.</p> <p>(c) Pharmaceutical services shall include:</p> <p>(1) A written quarterly review of the drug regimen of each resident by a licensed pharmacist and the findings submitted to the program director and prescribing physicians</p>	<p>Full suspension, of requirement that the recording of the physician’s orders in each client’s clinical record is signed by the physician every 30 days, although the providers are strongly encouraged to obtain the signature electronically when possible.</p> <p>Full suspension of the requirement for a written quarterly review of the drug regimen of each resident by a licensed pharmacist and the findings submitted to the program director and prescribing physicians.</p>
<p>55 Pa Code 5320.54(a)</p>	<p>(a) The use of seclusion is prohibited in LTSRs.</p>	<p>Full suspension of the requirement that the use of seclusion is prohibited in the LTSR only if there is a documented reason to believe the resident has a communicable disease or COVID-19 related symptoms.</p> <p>Self-isolation for the health, safety, and well-being of other residents and staff (within reason and ability) is not seclusion. LTSR programs should follow CDC guidelines if they believe a resident has COVID-19-related symptoms.</p>

		The LTSR must document attempts for the resident to see a physician to be tested within 24 hours of the first documented symptoms.
55 Pa Code 5320.74(1)	The LTSR provider shall: (1) Develop written arrangements for providing routine and emergency medical and dental care for residents. (3) Have first aid supplies available and adhere to current Centers for Disease Control and the Department of Health’s recommendations for universal precautions in the administration of first aid and CPR.	Limited suspension of the requirement for annual and routine exams and medical and dental care for residents. Documentation of the appointment scheduling in the resident’s record will illustrate the closest date available to the due date that the medical or dental provider was able to serve the resident. Limited suspension of the requirement that LTSR programs strictly adhere to current Centers for Disease Control and the Department of Health’s recommendations for universal precautions, related to the care of residents who have displayed symptoms of COVID-19. All attempts to attain PPE’s and facemasks, along with any other supply requirement, will be documented.
55 Pa. Code 5320.82. Fire protection and safety.	(a) The program director shall arrange for the local fire department or another outside safety consultant to inspect and approve each LTSR site for fire safety and to determine the number, location and type of fire extinguishers and smoke detectors required. This fire safety inspection shall be done before initial occupancy and repeated at least every 2 years thereafter. Inspections shall be documented. (e) Fire drills at each LTSR site shall be documented and held at least every 2 months; nighttime drills shall be conducted semiannually	(a) Limited suspension of the annual requirement of fire safety inspections provided due diligence is taken to obtain fire safety inspection within the timeframe required by the regulation and documentation is kept regarding inability to obtain required services timely. A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not meet compliance with this regulation. (e) Limited suspension , provided due diligence is taken to hold fire drills within the required timeframes and documentation is kept regarding inability to hold required fire drills. A conditional plan must be reviewed and approved by OMHSAS if the provider anticipates they will not meet compliance with this regulation.

<p>55 Pa Code 5320.83(b)</p>	<p>(b) A single occupancy room shall have at least 80 square feet of floor space. Bedrooms for two persons shall have at least 60 square feet of floor space per person and have sufficient floor space to accommodate the items required in §5320.84 (relating to furnishings and equipment).</p>	<p>Limited suspension of the requirement that a single occupancy room shall have 80 square feet or more of floor space and that a double occupancy room shall have 60 square feet or more of floor space for each client in the event that a client must be moved or isolated/self-quarantined while participating in the program due to the program’s adherence to CDC guidelines to COVID-19-related symptoms. This will allow programs to maintain compliance with room space requirements, if the need to isolate any resident arises, but the building layout does not support the CDC recommended space.</p>
