

**WATER TURNED BACK ON DURING
COVID?**

SHARE YOUR STORY

In the beginning of COVID-19, the City of Philadelphia reconnected water service to over 15,000 households. The Health Department needs your help to understand how this impacted the lives of affected Philadelphians.

Interviews will be:

- One hour
- By phone/ virtual
- Confidential
- Paid (\$100 gift card)

Questions? Interested?

*Are you a health or service provider with insight into water insecurity in Philadelphia?
We'd love to interview you too (unpaid).*
