

## Ipswitch Claims Late Submission Folder Activation

---

Starting **August 23, 2021**, the Claims Late Submission Folder will become operational in the Community Behavioral Health (CBH) Ipswitch Secured File Transfer Application for Electronic Data Interchange Claims. The Claims Late Submission Folder **is only allowed for prior approved late submission appeals and those submitted file or files will be reviewed by the CBH Technical Analyst for final processing releasing**. The file or files will be processed within the normal CBH processing period.

Please note that any Electronic Data Interchange File(s) placed in the Claim Late Submission Folder that was not approved for submission will be rejected during the adjudication processing cycle.
