

## Service Description Name Change and Termination of Levels of Care

---

Office of Mental Health Substance Abuse Services (OMHSAS) has revised and published its Behavioral Health Services Reporting Classification Chart (BHSRCC) which changes the service description name for inpatient hospital detoxification from “Inpatient Drug and Alcohol Detoxification” to “Inpatient Drug and Alcohol Withdrawal Management”. CBH will be revising and releasing updated provider contracts (Schedule A) to reflect the following levels of care (LOC) changes which will be effective November 15, 2021:

- ➔ LOC 150- 01 will be renamed “Inpatient Drug and Alcohol Withdrawal Management”
- ➔ LOC 150- 07 “Inpatient Drug and Alcohol Withdrawal Management 3-Day” will be terminated
- ➔ LOC 200-24 “Non-Hospital Drug and Alcohol Withdrawal Management 3-Day” will be terminated

Please direct any questions about this Bulletin to the assigned CBH Provider Relations Representative.
