City of Philadelphia Tax and Regulatory Status and Clearance Statement

As CBH is considered a quasi-governmental, City-related agency, prospective General Contractors must meet certain City of Philadelphia requirements. It is the policy of the City of Philadelphia to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in The Philadelphia Code. To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each General Contractor is required to complete and return with its proposal, a City of Philadelphia Tax Status and Clearance Statement Form (see following page).

If the General Contractor is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made within a week of being notified of their non-compliance, General Contractors will not be eligible for award of the contract contemplated by this RFP.

All selected General Contractors will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected General Contractor may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. General Contractors are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

General Contractors need not have a City of Philadelphia Business Privilege Tax Account Number and Business Privilege License Number to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP. Proposals for a Business Privilege Tax Account Number or a Business Privilege License may be made on line by visiting the City of Philadelphia Business Service site-<http://business.phila.gov/Pages/Home.aspx> and clicking on "Register Your Business." If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Privilege Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Business Privilege License.
