

Attachment F: Attestation that Applicant Meets Minimum Qualifications

Diversity, Equity, and Inclusion Training Services (Reissue)

I attest that the following attributes discussed in Sections 2.2., “Services to be Provided/Required Tasks,” and 2.7., “Technological Capabilities,” are included in the proposed solution.

- This https:// website should have valid encryption certificates and be served out as a hyperlink from the primary CBH website (www.cbhphilly.org)
- The portal or other customized web-based platform itself is built and maintained in a secure environment
- Access to the information behind the portal or platform requires some multi-factor authentication process to satisfy the assurance of privacy of the data, where applicable.
- The platform integrates with other CBH data layers and third-party cloud-based applications (e.g., Box)
