

Regionalized Intensive Behavioral Health Services (IBHS) Reconciliation Discontinuation

This provider notice serves as a reminder that the Regionalized IBHS budget reconciliation process will be discontinued for services after June 30, 2025. For additional details, see the [Regionalized IBHS Reconciliation Request Process 2025 Provider Notice](#), published October 11, 2024.

Per [Provider Bulletin 24-20: Changes to Provider Agreement Termination or Service Termination Notice](#), changes to the Provider Agreement Termination and Service Termination, in-network providers must provide CBH with at least 90 days' prior written notice of the provider's intention not to renew a provider agreement, to terminate a provider agreement, or to terminate a contracted service. Based on previous experience, CBH recognizes the best time for members to transition to a new provider is over the summer months. CBH is requesting that any Regionalized IBHS provider who has determined that they can no longer effectively deliver this service need to submit their written notice to CBH by April 30, 2025.

Any questions should be directed to your assigned provider relations representative.
