

BHSRCC Procedure Code Update

CBH is issuing this Bulletin to inform Providers that, beginning November 30, 2022, CBH will end the requirement of procedure codes 99202 and 99211 for the levels of care listed below. This is an effort to align with the Commonwealth of Pennsylvania Behavioral Health Services Reporting Classification Chart (BHSRCC). CBH will assign procedure code H0034 as the new billing code effective December 1, 2022.

The change in procedure code and Blanket Authorization Number (BAN) will be available to Schedule As effective December 1, 2022.
