

Mobile Mental Health Treatment Pricing Modifier

Effective November 3, 2025, CBH has added a Mobile Mental Health Treatment (MMHT) pricing modifier U8 to the eligible provider contracts. To be eligible to deliver MMHT services, a provider must be licensed as a psychiatric outpatient clinic, have an approved MMHT service description, and be enrolled in PROMISe for the 074 specialty. The pricing modifier U8 will be applied for the following levels of care and procedure codes, which will result in a rate differential:

<i>Level of Care</i>	<i>Procedure Code</i>	<i>Pricing Modifier</i>	<i>Level of Care Description</i>	<i>Unit of Measure</i>
300-1	90792	U8	Psychiatric Evaluation	EVENT
300-5	H0034	U8	Medication Management	EVENT
