

Laboratory Costs for ASAM 3.1 / 2.5 / 2.1 / 1.0

Effective July 1, 2026, laboratory services provided to members in the following levels of care will be bundled into the current rate and considered all-inclusive:

- ➔ ASAM 3.1 Clinically Managed Low-Intensity Residential Services (Halfway House)
- ➔ ASAM 2.5 Partial Hospitalization Services
- ➔ ASAM 2.1 Intensive Outpatient Services
- ➔ ASAM 1.0 Outpatient Services

A standalone claim for routine or medically necessary laboratory services delivered in these ASAM LOCs will not be reimbursed by CBH. Providers delivering the listed ASAM LOCs will receive a modest rate increase to offset laboratory expenses. Providers are expected to maintain laboratory vendor contracts and pay them directly for all laboratory services. Providers are responsible for ensuring laboratory services in accordance with [ASAM Criteria](#) and [Department of Drug and Alcohol Programs \(DDAP\)](#) requirements. This change will be **effective July 1, 2026**.

Please contact your assigned provider relations representative with any questions.
