# Learning Management System (LMS) Update

This notice shares an update on the future of learning and training across the Philadelphia Behavioral Health system. The DBHIDS Learning Hub, which has served DBHIDS, BHTEN, and CBH, **will be discontinued**. We encourage you to download any certificates or records of attendance from your account prior to this date.

## System Changes

- BHTEN and DBHIDS will share a new learning management system, powered by *Absorb LMS*.
- CBH will have its own learning management system, powered by *Docebo*.

## Timeline

- BHTEN began transitioning to the new shared system in August 2026; DBHIDS will launch in October 2026.
- CBH will transition to its new learning system in October 2026.

## Next Steps

- You will be notified when access to the current LMS will no longer be available.
- CBH will send information on how to register for an account with the new learning hub, which will be accessible only to internal CBH staff and CBH-contracted providers.
- BHTEN and DBHIDS will send information about how to register for an account to everyone who has completed courses through BHTEN, as well as internal DBHIDS staff.

The goal is to make this transition as smooth as possible while ensuring minimal interruption to your continued access to the learning resources you need. Thank you for your patience and partnership as we prepare for this exciting next chapter. We look forward to sharing additional updates soon.
