Methadone Services Billing for Members Receiving ASAM 2.1 IOP Services

This notice serves as a reminder regarding the billing of Methadone Maintenance Services when a member is attending ASAM 2.1 Intensive Outpatient Program (IOP).

When billing for methadone services for members who attend ASAM 2.1 IOP, providers must submit methadone services using the appropriate level of care:

- 375-2: Methadone Maintenance Daily
- 375-12: Methadone Maintenance Take Home

Please note: *Providers cannot bill methadone services under ASAM 1.0 if the member is receiving ASAM 2.1 within the same month.*

Any questions should be directed to your provider relations representative.
