

ATTACHMENT: ATTESTATION THAT APPLICANT MEETS MINIMUM QUALIFICATIONS

I attest to the following attributes of the proposed solution:

- ➔ Applicant has advanced clinical expertise in DBT
- ➔ Applicant has experience teaching and providing large-scale training in DBT
- ➔ Applicant has a history of direct clinical work with DBT treatment developer Dr. Marsha Linehan, including at least 50% of team members with DBT-Linehan Board Certification
- ➔ Applicant has experience providing DBT implementation support to behavioral health agencies
- ➔ Applicant has experience providing DBT consultation to a large behavioral health system
- ➔ Applicant has demonstrated understanding of the social determinants of health for a Medicaid Population
- ➔ Applicant has demonstrated understanding of the unique strengths and challenges faced by Medicaid-funded agencies in sustaining evidence-based clinical programs
- ➔ Applicant has personnel capacity for providing ongoing training to up to 20 individual DBT teams within the CBH provider network, with regularly scheduled consultation sessions for newer teams
- ➔ Applicant has demonstrated commitment to culturally responsive DBT training, implementation, and service delivery

Applicants should include any credentials from any certifying organization that attest to the capabilities of the organization or of any of the individuals employed by the organization that will be working on the proposed project.
