

- 1. In addition to the evaluation criteria and input factors mentioned in the RFP, are there any existing pain points that the CBH team is specifically looking to address by way of this RFP?**

There have been no notable pain points with our existing vendor. The purposes of this RFP are to fulfill CBH’s contracting responsibilities with the City of Philadelphia and to expand the scope of services in the contract that will result from this RFP.

- 2. Could you clarify how to submit the print sample package referenced in Section 3.1.2.2 of the RFP?**

“Demonstrative samples of your work may be included as attachments when labeled and referenced in this Project Understanding and Proposed Scope of Work Section 3.1.2.2.”

The RFP was not clear about the submission of print samples. Please submit these via USPS or similar delivery service to:

Hans Leach
