

Extension of Current CBH Provider Agreements

The purpose of this Notice is to inform Providers that all current Provider Agreements with CBH will now remain in effect until February 28, 2023, or until a new Provider Agreement is signed, whichever is earlier.

All current Provider Agreements will continue beyond the former expiration date of December 31, 2022, despite any provision to the contrary in the agreement, including the Term, Entire Agreement, and Amendment provisions.

When a new Provider Agreement is signed by a Provider and CBH, the Agreement will go into effect on January 1, 2023. If the current Provider Agreement expires before CBH and the Provider sign a new Agreement, CBH will, in its sole discretion, determine whether to extend the current Agreement. If extended, CBH will determine, in its sole discretion, the terms and conditions it deems advisable for the current Provider Agreement.

Please contact your assigned Provider Relations Representative with any questions.
