Agenda

1. Welcome & Introductions

Members of the council were asked to put their name and agency in the zoom chat box.

2. Review of Agenda and Reminders

Dr. Faith Dyson Washington reviewed the agenda.

3. Shout-Outs

Council members were asked to share shout outs and successes.

4. Council Member agenda item- SDP collection of provider workforce data

Council Member, Mary Doherty, shared concerns related to the School District of Philadelphia’s (SDP) request for providers to share staffing data. Provider members shared feedback from the larger IBHS provider network, questioning the purpose of the data and why it’s needed.

Dr. Jayme Banks responded to the concerns by describing why the data is being requested and how it is used. Dr. Banks encouraged the Council’s Provider members to encourage other IBHS providers to reach out to Dr. Banks directly with any additional questions/concerns.

5. Reflecting and Adapting to Support Progress, reviewing the IBHS CC Charter

Dr. Acosta Price reviewed why the IBHS Coordinating Council was created and reminded members about the mission and vision of the Council. Dr. Acosta Price asked Council members to think about the function and role of the Coordinating Council, particularly of how it’s described in the charter. Dr. Acosta Price engaged Council members in a discussion about the vision of the Coordinating Council and how to ensure the goals of the Council are being met. Dr. Acosta Price reviewed the roles and functions of the individual members, and engaged the Council in a discussion about how to ensure there is a bidirectional flow of information between these meetings and other meetings Council members participate in.

There was a suggestion to add additional caregivers whose children currently receive IBHS services to the Council.
