

## ASAM 1.0 Value-Based Payment Alert

---

This Notice is to inform providers that, due to the reprocessing of claims, the distribution of ASAM 1.0 Value-Based Payment (VBP) bonus payments for Q2 2022 and Q3 2022 will be delayed.

As CBH brought up the case rates that comprise the ASAM 1.0 payment strategy, the organization was required to build processes into the adjudication system, which took longer than anticipated. CBH initially [described](#) that process in April 2022 and recently [notified](#) the provider network that it is nearing the end of the reprocessing activity.

Upon completion of the claims reprocessing and quality review, the CBH Performance Evaluation team will analyze the data for Q2 2022 and Q3 2022, with bonus payments to be sent in the coming weeks.

CBH apologizes for any inconvenience this may cause and thanks you for your patience. Please feel free to contact [CBH.VBP@phila.gov](mailto:CBH.VBP@phila.gov) directly with any other questions related to the VBP arrangement for ASAM 1.0 services.
