

## Community Integrated Recovery Center (CIRC)

---

This bulletin is to alert CIRC Providers that CBH will be modifying the structure of your contract (Schedule A) effective August 1, 2023. Currently, CIRC contracts (Schedule A) have two separate Child Provider IDs that differentiate mental health outpatient (MHOP) service lines and the psychiatric rehabilitation service lines.

Effective August 1, 2023, CBH will be combining both MHOP and psychiatric rehabilitation under one Provider Child ID to enable automatic payment of the case rate when the minimum of four qualifying services in a month are delivered. CIRC Providers will be notified once the case rate automation is in place. This modification will have an impact on the blanket authorization numbers (BAN) associated with the CIRC levels of care.

Should you have any questions, please contact your assigned Provider Relations Representative.
