

Intensive Behavioral Health Services (IBHS) Family Peer Support and Care Coordinator Authorizations

CBH will be completing an automated authorization cycle for IBHS Family Peer Support and IBHS Care Coordinator on August 26, 2023. We are requesting that providers review their authorization reports following the authorization cycle to identify missing and/or incorrect authorizations, which can be reviewed with your assigned Clinical Care Manager. This process only applies to the Regionalized IBHS providers. We greatly appreciate your ongoing patience as we finalize the blanket authorization number (BAN) to authorization project.
