

## Routine Lab Costs for ASAM 3.5, ASAM 3.7 and ASAM 3.7 Withdrawal Management

---

Labs provided as part of the inpatient treatment for ASAM 3.5, ASAM 3.7, and ASAM 3.7 Withdrawal Management (WM) levels of care will be bundled into the per diem rate and will not be paid separately. Providers who deliver these services will receive a slight rate increase to cover the lab costs. This change will be effective **March 1, 2024**.

Should you have any questions, please contact your assigned Provider Relations Representative.
