

Significant Incident Reporting

Community Behavioral Health (CBH) has been the centralized location for the submission of Significant Incidents for the Department of Behavioral Health and Intellectual disAbilities (DBHIDS). CBH and DBHIDS will be separating the submission of Significant Incident Reports based on the funder of the service. Significant Incident Reports for individuals being funded by CBH should continue to be submitted to CBH per [Provider Bulletin 20-20: Significant Incident Reporting](#) issued on October 15, 2020. Any Significant Incidents involving county-funded services and the Behavioral Health Special Initiative (BHSI) should be submitted to DBHIDS at the following email address: DBHIDS.Compliance@phila.gov.

Please direct any questions about this notice to Kathleen Painter, CBH's Director of Quality Management, at 215-413-7568 or Kathleen.Painter@phila.gov, or DBHIDS's Quality and Compliance Department Unit at DBHIDS.Compliance@phila.gov.
