

## **Community Integrated Recovery Center (CIRC) Levels of Care**

---

This Provider Notice is to alert Community Integrated Recovery Center (CIRC) providers of a level of care description change. Effective April 1, 2024, CBH will be changing the level of care description for level of care (700-11) from Ancillary Other Psychiatric - WHOQOL-BREF Assessment to (700-11) Quality of Life Assessment. This change does not impact the CIRC providers' administration of the WHOQOL-BREF assessment.

Should you have any questions, please contact your assigned Provider Relations Representative.
